

SOCAREX LDPE REINFORCED SERIES (BSR)

PRODUCT DESCRIPTION

Pipelife's **Socarex®** is an essential element in your water cycle. This flexible pipe allows you to reuse rainwater in your home, school, sports club or business.

These LDPE pressure pipes are available in 2 versions:

- BSN (Normal range)
- BSR (Reinforced range)

They are produced with a high-quality raw material, approved for drinking water.

The length can vary between 25m, 50m or 100m depending on the required diameter.

To use and connect these LDPE pressure pipes, Pipelife offers a wide range of brass fittings. We also call these **huot fittings** and these are available in both versions: BSN or BSR.

Material: LDPE

Color: Black

Connection 1: Spigot

Connection 2: Spigot
