

PREFLEX SOLAR

PRODUCT DESCRIPTION

Save time with Preflex anti-UV and halogen free pre-wired flexible conduits with PV cables.

- + A single product, suitable for both indoor and outdoor installations, for wiring solar panel systems from the solar panels on the roof to the inverter and circuit breaker.
- + Various pre-wired combinations with 4mm², 6mm² PV cables and with or without additional earth wire.
- + Packaged in rolls or reels of up to 200m.
- + Conduit and cable are halogen free. Cable complies with CPR class Cca.
- + All the benefits you know from Preflex pre-wired conduits, but with stable UV protection!

Article no.	Type of cable	Tube Ø	Packaging	Ø reel	Length
