

MASTER3PLUS PP PIPE SN4 BLACK SMOOTH

PRODUCT DESCRIPTION

The Master3Plus socketed pipes are made of 3 layers that guarantee sound insulation.

The black outer layer guarantees high impact resistance, even well below zero degrees.

The sturdy middle layer is the main source of sound insulation, while at the same time ensuring a high level of rigidity.

The smooth white inner layer prevents deposits and facilitates maintenance and inspection.

High-quality raw materials ensure a long service life with minimum maintenance.

Article no.	Description	Pipe Ø	Wall thickness	Length
1298622325	PP MASTER3PLUS 32x1.8 SMOOTH BLACK 275x5m	32 mm	1,8 mm	5 m
