

TELESCOPE 315

PRODUCT DESCRIPTION

Pipelife manufactures telescopic manhole covers T20, T30, T30K, T40, T50K, where the 315mm diameter PVC-U telescopic pipe is permanently integrated into the cast iron manhole body. The telescopic pipe is located inside the cast iron body, so it is protected from e.g. hot asphalt mass. The telescopic pipe is adapted to the internal shape of the body.

SAP Index	SAP material description	With grating	Cover class	BUoM
3496100509	Telescope 1.5t/400T05D without seal		A15	EA
3496100510	Telescope 1.5t/400 T05DK without seal	Yes	A15	EA
3496100511	Telescope 12.5t/400T30K without seal	Yes	B125	EA
3496100513	Telescope 12.5t/400 B125 without seal		B125	EA
3496100514	Telescope 40.0t/400 D400 without seal		D400	EA
